WORK EXPERIENCE

MUANGTHAI LEASING

THAILAND, NOW

ASSISTANT MANAGING DIRECTOR

Muangthai Leasing is engaged in lending business. Its business is related to the process of loans secured against vehicle registrations and personal loans without collateral, which includes motorcycle loans, car loans, and auto loans for agriculture. Recently listed in Stock Exchange of Thailand in November 2014 with current Market Capital of \$1.2 B, of which Petaumpai Family holds 70% stake.

- Responsible for Investor Relations, Corporate Finance, and Marketing.

REAL ASSET DEVELOPMENT

BANGKOK, SEPTEMBER 2010 - NOVEMBER 2014

CO-FOUNDER & BOARD MEMBER / MARKETING MANAGER

Real Asset Development is a fast-growing real estate company with >\$250M of assets under management, including high/low rise condominiums, townhouses and single detached houses, business parks.

- As Board Member I involved in developing strategies and objectives to support the growth of the business.
- As Marketing Manager, I was responsible for all external communication, public relations, and promotional activities, and charged with developing strategies and executing tactics to reach a sales target.
- As co-founder, I've gained solid experience in building up a business and learnt how to apply strategies to support corporate growth.

KASIKORN BANK

BANGKOK, OCTOBER 2007 - NOVEMBER 2009

CREDIT ANALYST

- Analysed creditworthiness of more than 50 companies in the energy sector, and provided facilities ranging from \$500,000 to \$1B. The clients included PTT, Banpu, and Esso, contributing to 30% of the Stock Exchange of Thailand (SET) market cap.
- Responsible for monitoring a portfolio of accounts. The work involved a wide variety of financial analysis techniques, including ratios and trend analysis as well as the creation of projections and analysis of cash flow.

GOLDMAN SACHS INTERNATIONAL

LONDON, JUNE 2006 - JUNE 2007

TREASURY CASH MANAGEMENT ANALYST

- Responsible for monitoring and settling \$50B worth of cash transactions per day. The work included interaction with agent banks, managing 600 cash bank accounts, and utilising over 20 currencies.
- Gained an excellent insight of cash settlements across investment banking activities, and developed skills to work in tight deadlines and problem solving.

EDUCATION

CASS BUSINESS SCHOOL, LONDON

2004-2006

- M.Sc. in Banking and International Finance

UNIVERSITY OF LONDON, UK

2001-2004

- Joint degree between University College London & London School of Economics and Political Science
- B. Eng. in Engineering with Business Finance (Second Class Honours)

BEDFORD SCHOOL, BEDFORDSHIRE, UK
